

Daniel Bell

aka DBX

From his Detroit beginnings on Plus 8 Records with partners Richie Hawtin and John Acquaviva, to his current status as world-renowned producer and DJ, Daniel Bell is one of the most important and respected names in the history of dance music.

His stripped-down funky style, epitomized in his underground hit "Losing Control", influenced a generation of producers and helped launch a new "minimal" aesthetic in dance music.

Having lived in Berlin since 2000 and spent the last 2 years touring around the world, we are honored to present this true pioneer in his first appearance to Malta.
